**MARKET CIRCULAR NO: 589**  
**DATE: Friday 22 March 2013**  
**TO: All fruit and vegetable market tenants at the Melbourne Markets**

**Proposed Epping trading stand size.**

At a recent fruit and vegetable growers advisory committee meeting a discussion paper was presented on options for the size of Fruit and Vegetable trading stands proposed for the Epping market.

Of the three options proposed, the Committee members requested that the option one stand size of 34.56 square metres be marked out at West Melbourne for comparison with the current stand size of 21 square metres.

Please be advised that a trading stand of 34.56 square metres has been set-up on the area covered by trading stands 348-351 for stand holders to view.

Stand holders are invited to attend this area at 5.00am on Monday 25 March 2013 to discuss this issue with the MMA, Committee members and Mary Baker, MMRP Stakeholder Relations Manager.

Please be reminded that comment on the discussion paper is due by no later than 5.00pm on Friday 22 March 2013.
