

Epping Market Update

Notice to Flower Market Stand Holders

Friday 7 February 2014

A draft licence for an Epping flower stand has been updated (February 2014) and is now available to stand holders on the Melbourne Market Authority (MMA) website, www.melbournemarkets.com.au.

A term sheet is also available that summarises the main changes to the draft licence. The draft licence and term sheet will be included in an information pack to be mailed to stand holders from mid-February.

The pack will:

- seek confirmation of Epping allocations from flower market stand holders;
- seek interest from flower market stand holders in relation to stand 115;
- seek interest from flower market stand holders that have been allocated a stand without a cool room on the perimeter of the new market building, the opportunity to have a cool room (to be paid via additional rent);
- seek interest from flower market stand holders for vacant stands; and
- contain a map showing flower market stand licence numbers (along with the original ballot numbers).

Flower market stand holders will have another opportunity to make a visit to the Epping flower market later in February/March. A notice will be provided on arrangements for the visit.
