

Fact Sheet

# Are you bringing your forklift to Epping?

## Here's what you need to know

### Vehicle Registration

Businesses have been sent a 'Forklifts at Epping' form with all the details you need to send us. This form is also available on the MMA website.

**Complete this form and return it to the MMA as soon as possible.**

Once you've returned this form, your forklift registration will automatically be transferred across, including the annual registration fee.

### What happens if I don't return my form?

**Your registration will be cancelled.**

Without a Melbourne Market forklift plate registration, your forklift will not be allowed on market land.

### Got a new forklift you're bringing to Epping?

All new forklifts for Epping will need to be registered via the existing forklift registration process. We've also enclosed a copy of this form for you.

### Not bringing your forklift/s to Epping?

No worries! You don't need to do anything.

### LPG registration

#### Refuelling at the market

The new Market has two LPG fuel stations. The Northern LPG station is operated by the MMA and the Southern LPG station is operated by Fresh State.

To use the Northern LPG fuel station near forklift storage EFS1, you will require a MMA LPG Tag which you will receive if you selected to register for a tag on the enclosed Forklifts at Epping form.

#### How will I be billed for LPG?

LPG will be billed monthly via your MMA customer account to your registered billing address.

### Forklift storage
