Dear

**BUGGY/FORK LIFT AT MELBOURNE FRUIT VEGETABLE AND FLOWER MARKET - EPPING**

VicRoads will approve the registration of the year make model buggy/forklift (Serial No or VIN: \_\_\_\_\_) for use within the boundaries of the Melbourne Fruit, Vegetable and Flower Market located at 55 Produce Drive, Epping.

Registration has been approved on the basis that the buggy is required to carry goods through the narrow laneways within the market, and that there is no alternative vehicle that complies with the vehicle registration standards that is able to perform this task.

On that basis, VicRoads will approve registration provided that the vehicle is operated in accordance with the following conditions of use:

- A copy of the nominated conditions must be carried in the vehicle at all times
- The vehicle must not exceed designated speed limits or 15kph, whichever is the lesser
- The vehicle must be fitted with a horn or other warning device to give sufficient audible warning to others of the approach or position of the vehicle
- Must not operate or drive a Market Approved vehicle without the installation of appropriate restraints
- must comply with OH&S requirements as specified by the Melbourne Market Authority
- The vehicle is only permitted to be used on roads that are not accessible to the general public (i.e. only authorised access card holders only) within the gated confines of the Melbourne Wholesale Fruit, Vegetable and Flower market located at 55 Produce Drive, Epping
- High mounted flashing amber lights, head lights and tail lights must be fitted and in operation when the vehicle is in use
- The registration of the vehicle is not transferrable

You will need to make an appointment for registration by calling VicRoads Telephone Information Service on 13 11 71. Upon registration of the buggy, you will also need to provide a copy of this letter, evidence that you operate out of the market site (such as a copy of your market access card or MMA approval), along with a completed Machinery Pack, Vehicle Registration Application and meet VicRoads other usual registration requirements.

The Machinery Pack and Vehicle Registration Application can be downloaded from the VicRoads website [www.vicroads.vic.gov.au](http://www.vicroads.vic.gov.au).

VicRoads will issue a Certificate of Approved Operations which must be signed by the registered operator of the vehicle and carried in the vehicle at all times.

Yours Sincerely
